

Next Beginner's Course - Spring 2020

Includes a two-day classroom setting followed by weekly apiary hands-on learning.

Venue:

TBC

Dates:

TBC

Times: 9:00am to 4:30pm both days

Break for lunch

Practical Training:

Studies continue with outdoor hands-on demonstrations in our Association Apiary from the end of April until the end of August. Taking place on Tuesday evenings @7pm, weather permitting.

Cost:

€120 This includes the two full-days training, your bee-manual book, and your STBA membership so that you are covered for the outdoor demonstrations.

To enroll: please call Erika on 083-0065667 or email us at southtipbbees@gmail.com

Welcome to the start of something wonderful
